

# **States ERP Roundtable**

**September 8, 2008**

**Reno, NV**

A scenic view of a mountain range with a wooden bridge in the foreground. The mountains are covered in dense green forests, and the sky is hazy. The bridge is made of dark wood with a lattice railing, leading towards the mountains.

# **In 5 minutes or less...**

- **Describe activities, issues for your ERP:**
  - **What's the status of your ERP work?**
    - **update the ERP activities table**
  - **What are some of the challenges you are facing?**
  - **What are your plans for broadening or sustaining your ERP?**
